About The Hub

- Found by David Boehm and Bruce Stinson in 2012
- With funding from Rotary Club Kowloon North, THE HUB HONG KONG CHILDREN AND YOUTH CENTRE opened in Sham Shui Po in July 2013.
- Provide educational support, extra-curricular classes, family counselling, social, health and well-being services to disadvantaged children and youth in need.

Our Mission

To offer children in our society who are experiencing difficult circumstances a better environment **to grow up with equal opportunities** and become valuable members of the community.

Target Group of the Hub

- Economically-distressed children aged 6 – 18 and their families living in Sham Shui Po district, many in cramped subdivided housing.
- Record 1.37 Million people living below poverty line in Hong Kong as government blames rise on ageing population and city's improving economy.

About our Charity Night

- HK\$20 million dollars raised since 2013 and The Hub Hong Kong's key annual fundraiser.
- Regular Hub Gala supporters include Hong Kong Jockey Club, DBS Bank Hong Kong Limited, Manning Hong Kong, prominent figures from the racing industry, bankers, lawyers, international corporates, Rotarians, high profile businessmen and philanthropists.
- Funds raised will go to help underprivileged families at *The Hub Children and Youth Centre* in Sham Shui Po, with 2,000+ active members, accumulating 130,000+ times of services to 1000+ families.

Previous Highlights

Celebrate our 12th Anniversary

- For the past decade, our charity has provided essential resources and support to nurture children in need through our programs that support their education, development, health and wellness, and family relief. We have witnessed our children flourish from improved academic performance, better well-being, more harmonious family relationships, and a brighter future to break the poverty cycle.
- This year marks our 12th Anniversary which is a significant milestone for us, and we are delighted to invite you to celebrate this special occasion.
- The Gala is will help to raise funds to support the ongoing programs at our Centre in Sham Shui Po and shape the next decade of our services and beyond to make a lasting impact on the children and our community!
